

HEFNER INITIATIVE – OSSM AWARD 2019

The Hefner Initiative aims to help build a close and positive relationship between China and the USA. The Hefner Initiative is an approximate 12-day summer program (June/July) which sponsors high school Junior students in America to travel abroad to China. The Robert & MeiLi Hefner Foundation believes this opportunity will not only enhance the China/US relationship in the future but also expand the knowledge and exposure of these young students to a rising and important sector of the world.

The application window for OSSM juniors opens on December 5, 2018. OSSM will announce the program to its Junior class by email and on the school website.

The last day for entry submissions by OSSM students will be January 7, 2019.

Turn in complete application packets to Ms. Bonnett at the OSSM President's Office no later than 5:00 pm.

The school's faculty Committee will select the top four OSSM entries, submitting them to the Hefner Foundation by January 25, 2019 for review. In turn the Robert & MeiLi Hefner Foundation will select two of the four finalists to be OSSM's 2019 Hefner Awardees.

For 2019 Hefner Initiative - Criteria and Requirements

(bolded items below constitute student's Application Packet)

- Junior Class high school student from OSSM
