

OKLAHOMA SCHOOL OF SCIENCE AND MATH FOUNDATION
PRESENTS
2025 QUANTUM EXPERIENCE

FRIDAY, MAY 9, 2025
SPONSORSHIP BENEFITS

WELCOME

Welcome to the Quantum Experience!

We are thrilled to invite you to join us in supporting this important event in which science, math, innovation, and education intersect to inspire the next generation of leaders. Your partnership plays an essential role in advancing the future of discovery and fostering opportunities for aspiring minds to push the boundaries of possibility. By sponsoring this initiative, you are investing in the future of the next generation of leaders in STEM.

Quantum Experience is a celebration of the broader OSSM community that helps make our faculty and students successful. We hope you will join us in celebrating our collective achievements that help make our students, faculty, and the school so special and listen to Dr. Caleb Lareau (OSSM '11) speak on his journey from being an OSSM student to a researcher for finding a cure for cancer.

Within this sponsorship packet, you will find detailed information about the opportunities available to partner with us. Together, we can create a dynamic and memorable experience for everyone.

We are deeply grateful for your consideration and look forward to collaborating with you. Should you have any questions or wish to discuss customized sponsorship opportunities, please contact Covell Lindstrom at Covell.Lindstrom@ossm.edu or 405-522-7804.

Thank you for joining us on this exciting journey toward discovery, innovation, and growth.

Thank you,

Anne Holzberlein
OSSM Foundation, Chair

THANK YOU!

Thank you for taking the time to consider partnering with us for Quantum Experience.

This initiative represents a unique opportunity to inspire innovation, advance education, and empower the next generation of leaders. Your potential involvement plays a vital role in helping us create an impactful and memorable event that fosters discovery and growth.

We deeply appreciate your consideration and the value you bring to this endeavor. If you have any questions or would like to explore how we can collaborate, please don't hesitate to reach out to us.
